## Provider Profile

---

---

Information provided by the provider describing their agency:

Marrakech Housing Options, Inc. is a related party corporation of Marrakech, Inc. which was founded in 1971 to serve people with developmental disabilities. Marrakech operates day program centers in New Haven, West Haven, Cheshire, and New Milford. Additional day program sites are being developed in Torrington and Bridgeport in property owned by Marrakech. Residential and individualized services are provided in homes and communities throughout the state. Marrakech is committed to providing services that improve and enrich the quality of life of each person served. The organization is nationally accredited through CARF International for supported living, group homes, employment services and community integration services.

As an organization that provides a diverse array of services to all aged people and their families, Marrakech is able to access resources and expertise in many areas including best and evidence-based practices in supported employment, integrated services, life skills, trauma-informed care, cultural competence and strengths-based interventions. The organization uses its resources to make services better for people with developmental disabilities. Marrakech has developed unique and highly individualized living arrangements for people through comprehensive planning, environmental adaptations, and the creative use of human resources and natural supports.

Marrakech promotes independence, self-determination and community integration in all of its programs and services.

### Mission

To provide residential, employment, support, referral, and advocacy services to individuals with disabilities and people with similar service needs to assist them in exercising their human rights as citizens and contributing members of society.

### Vision

Our Vision is that each person we serve will live and work in the community and be accepted by his or her neighbors, co-workers, family, friends and acquaintances for his or her individual qualities and contributions.
